MODEL 1 PURCHASING FROM TRAILNED

The documentation requirement for export sales in EU member states has increased. The Dutch tax authorities now ask for the following documentation:

- Full details of the company:
 - exact company address*
 - phone number*
 - fax number*
 - email address*
 - industry/branch of trade*
 - URL and business card if there is one*
- European VAT identification number (TIN)
- Extract from the Registry of Companies, official trading licence
- Copy of the owner's/partner's/manager's proof of identity
- An original power of attorney for collection, signed by the owner and stamped if possible, for the collecting driver

If you are not able to send us the necessary documents proving your right to do business, then 21% (VAT) of the purchase price will be charged as a deposit. The deposit amount will be refunded to you immediately upon receipt of the aforementioned documents.
